

End User Statement

The information provided in this certificate ("Certificate") will be used by RARE AVIATION inc. dba RARE POWER ("the Seller") to ensure compliance with U.S. export control laws and regulations ("US Export Controls"), the export control laws and regulations of other applicable jurisdictions (together with US Export Controls, "Applicable Export Controls"), and Seller company policy. By signing this Certificate, the Purchaser acknowledges that the Parts are subject to Applicable Export Controls, and the Purchaser certifies and represents that:

1. The Parts will not be used for any prohibited purpose or end use, will not be re-exported or otherwise transferred to any prohibited country or person, and will not be used in connection with weapons proliferation, including but not limited to: chemical, biological, or nuclear weapons or items capable of delivering such weapons; nuclear end uses; rocket systems; unmanned aerial vehicles; satellite usage; missiles or missile related applications; or military applications, end uses, or end users unless the required authorization is first obtained from the relevant government agency as required by Applicable Export Controls;
2. The Purchaser will not re-export or otherwise transfer the Parts to Cuba, Iran, North Korea, Sudan, Syria, the Crimea region (acknowledging that passenger aircraft onto which any Part is installed outside the Crimea region are not restricted from providing air service in the Crimea region), or the governments of those countries or regions, and will not re-export or otherwise transfer the Parts to any country or person without authorization if required by Applicable Export Controls;
3. The Purchaser and its transferee(s) and end user(s) are not prohibited by Applicable Export Controls and are not named on: the U.S. Commerce Department's Denied Persons List, the U.S. Treasury Department's Specially Designated Nationals and Blocked Persons List (and are not owned 50 percent or more individually or in the aggregate by one or more named entities), or the U.S. Department of State's Debarred List;
4. The Purchaser and its transferee(s) and any end user(s) are not named on any of the following lists to the extent being named on such list would prohibit the Purchaser, its transferee(s), or end user(s) from receiving the Parts or from engaging in any activity in connection with the transaction: the U.S. Commerce Department's Entity List or Unverified List; the U.S. Treasury Department's Sectoral Sanctions Identification List (and are not owned 50 percent or more individually or in the aggregate by one or more named entities); or the U.S. Department of State's CAATSA Section 231(d) List;
5. The Purchaser and its transferee(s) and end user(s) are not debarred, suspended, prohibited, restricted, or otherwise impaired by any relevant government agency from exporting, reexporting, receiving, purchasing, procuring, or otherwise obtaining the Parts;
6. The Purchaser will ensure that the Parts are not used for any military end use or by any military end users in contravention of Section 744.21 of the EAR or in contravention of arms embargoes or dual-use regulations of any country or jurisdiction to which the Parts are subject; and
7. The Purchaser will ensure that the Parts are not used directly or indirectly in Russian oil or gas industry activities in contravention of the EAR, including but not limited to Section 746.5, Section 744.10, and Section 744.16, or other Russian oil or gas industry regulations of any country or jurisdiction to which the Parts are subject; and will ensure that the Parts are not used in any manner, including on aircraft owned, leased, or otherwise used directly or indirectly by, or for the benefit of Gazprom, Gazpromneft, Lukoil, Rosneft, Surgutneftegas, any other entity identified pursuant to Executive Order 13662 as subject to Directive 4, or any entity owned 50 percent or more individually or in the aggregate by one or more identified entities, where such use would violate the restrictions defined in Directive 4.
8. The Purchaser certifies that it will not export, re-export, or transfer any Parts received from the Seller to Cuba, Iran, North Korea, Syria, Russia, Belarus, the Crimea Region of Ukraine, the Donetsk and Luhansk regions of Ukraine, or any other region of Ukraine subject to sanctions, or the governments of those countries or regions, and will not re-export or otherwise transfer the Parts to any country or person without authorization if required by Applicable Export Controls and Sanctions. The Purchaser further certifies that it will comply with all U.S. and Non-U.S. export, re-export, transfer and sanctions laws and regulations.
